REMARKS

The Examiner has rejected claims 1-16, 18-20, 22-25, and 27-32 as being based upon a defective reissue declaration under 35 U.S.C. § 251. To perfect the reissue declaration, the Examiner has requested corroborating affidavits under 37 C.F.R. 1.175(b).

In response, the applicant hereby submits the attached declarations from each of the attorneys (Dr. William Burke and Donald Cohen) who were involved in prosecuting the original patent application that became U.S. patent 5,302,966. These declarations corroborate the statements made in the reissue declaration executed May 18, 1995 and the supplemental reissue declaration
